

Titan Krios Microscopes

Requests for Titan Krios time

Internal users should email requests to cryoEM@leeds.ac.uk using the template below,

I would like to request **screening/single particle data collection/tomography data collection**. I would prefer to use **krios 1 (Falcon3)/krios 2 (K2)/no preference/I don't know, please advise** (please provide brief info about your sample).

I would like **time asap/after specific date**.

I have **X** many grids I would like to load.

I require **support from EM scientist/I can screen or set up data collection independently**.

For data collection, I **have/have not got** pre screened, optimised grids.

I am from **SMCB/SMSB/SB/Chemistry/Physics/Medicine/Engineering/Other** (please specify)

PI(S) on grant (including external collaborators. Include first 3):

Grant code:

Please note that requests will not be processed without a valid grant code.
